

4' x 8' PET Felt Panel

Fräsch was founded on the belief that creating healthy and beautiful office environments leads to a happier and highly motivated workforce.

4' x 8' PET Felt Panel

Polyethylene Terephthalate (PET) felt looks and feels like wool, but this innovative material is made from recycled water bottles. In addition to containing 55% post-recycled content, PET is 100% recyclable. Highly durable and easy to clean and maintain, we offer our felt in a wide range of colors.
