

FAZR WALL

Fräsch was founded on the belief that creating healthy and beautiful office environments leads to a happier and highly motivated workforce.

FAZR Wall

Acoustical Wall Solution

FAZR Wall is an adaptation of the award-winning FAZR acoustic ceiling solution. It comprises 9mm PET panels that easily install with the Rockfon® wall carrier system snap-in extrusion. FAZR Wall delivers many enhancements offered by the original FAZR to an interior, including printed wood grains, easy installation, reduced cost, and exceptional NRC and fire ratings.

Application	Wall
Size:	
Standard Module	95" W x 120" D x 2" H
Hardware	Rockfon® wall carrier system* snap-in extrusion
*Can be sold separately for large projects
